1. Authority, authority, so much authority is already given. Ted, it's there, it's there in black and white and red sometimes, in My Word, preserved for those who will receive of Me and communicate with Me, and commune, and let Me make My jewels known—the jewels of truth—waiting, waiting, waiting for those who will enter Me unreservedly and let Me be fully Me.

2. Ted, music—so powerful, words—so powerful, looks into each others' eyes—so powerful—communicate so much, affecting emotions of spirit. So powerful, so twisted some, so powerful Mine, and peacemaking, propelling, propensiating My Mine to look to Me, and see Me, and feel Me.

3. I create and I am creating and I am coming through the pens of My Mine to write and create melodies and scores and manuscripts of beauty that reflect My creativity. I love you for writing and compelling My body to write what I teach them, what I show them, and reveal to them. I love you for lifting My body.

4. I love you for compelling Adel to write, and Jon, and all who you know are seeking Me and want to exalt Me. Adel writes of Me, and wisdom I've revealed, imperfect, but truth revealed, road hard, but praise ahead, strong woman. Werner is lifted, arising, and increases.

5. So much for so little—glories eternal enjoyed, permeating spirit and all with Me—glorious glories, truth revealed in unending glory—majesty of eternal splendor, understanding, realizing, enjoying—truth, truth, truth.

6. Truth encompasses the globe and the heavens Ted. Truth holds all things in place—in the heavenlies—orders of Me. That's why truth-seekers are so powerful Ted, and ready to be molded into My design—powerful, powerful, powerful.

7. Message-seekers don't mature, sermon-seekers don't mature—not really. The maturable are the unafraid to open to Me, and truth seek, no longer satisfied to hear only from man, and others who claim to represent Me and speak for Me.

8. I have a mouth, I utter words, I speak and I commune—My sheep know My voice. I said it and you know it.

9. Truth and authority are inextricably linked. Authority exercised is power. You have it, you have Me, you're on your way, into the core of Me, for you've made up your mind, and nothing will hold you back.

10. Pursue—passionately pursue Me—you're on track to walk in My authority given to lead and arise. Authoritize My body everywhere you go and enjoy My power coming to you. Squelch Me not, but walk forth in power and might of Me, enjoying Me and all I bring you.

11. Heal and teach healing.
Heal and teach healing.
Release Me to be fully Me in all My Mine.
I love you, I love you, I love you.
I love you even more.

12. Open your schools and weeks establish—and add as I direct.
